

TERMS & CONDITIONS

1. Introduction

1.1 These terms and conditions (the “Terms” or the “Agreement”) together with your completed and signed application form (the “Opening of Account Form”) duly accepted by us govern the legal relationship between you (hereinafter, the “Applicant”, the “Investor” or the “Client”) and us, MPM Capital Investments Limited (hereinafter, “MPM”), a limited liability company registered in Malta with company registration number C 46783, and having its registered office at 76, Valley Road, Birkirkara (Tel: +356 21493 250) in respect of the services MPM provides.

1.2 MPM holds a category 2 license issued by the Malta Financial Services Authority (“MFSA”), situated at Notabile Road, Attard, BKR 3000 (Tel: 21 441155) to provide investment services under the Investment Services Act, 1994, Cap. 370, Laws of Malta (the “Act”). In providing these Services MPM is bound by the Act, any regulations under the Act and the terms of its Investment Services Licence. MPM is a participant in the Investor Compensation Scheme established under the Investor Compensation Scheme Regulations (S.L. 370.09). The Investor Compensation Scheme pays compensation, subject to certain limitations, to eligible consumers in the case of the failure of an authorised investment firm. “Investors”, as defined in the Investor Compensation Scheme Regulations who entrust instruments or money with MPM are only entitled to compensation if the Investors satisfy the terms of the Investor Compensation Scheme Regulations.

1.3 At all times MPM may only provide any of the services and carry out any transaction in relation to any instrument as set out in these Terms to the extent that it is licensed to do so by the MFSA and in which case MPM shall be bound to act in accordance with the terms of its Investment Services Licence and any regulations under the Act. Accordingly, some of the services set out in these Terms may not always be available. Further information on the services MPM is licensed to provide may be obtained at any time from MPM.

1.4 We may refuse to act on any instruction if we reasonably:

- a. believe it might cause us to break a law, regulation, code or other duty which applies to us;
- b. believe you may be unable to promptly settle any relevant transaction or if any set dealing limit would be exceeded;
- c. believe it was not given by you or on your behalf;
- d. consider it insufficiently clear; or
- e. believe that carrying out the instruction may damage our reputation. We will take reasonable steps to notify you in these circumstances.

1.5 In the case of new Clients, these Terms shall become effective as soon as the client signs up and begins to make use of the service or by signing the opening of account form in writing.

1.6 In the case of existing Clients who have already completed and signed an application form duly accepted by MPM and/or who are bound by previous terms and conditions, these Terms shall replace any preceding agreement or understanding. Existing Clients shall be bound by these Terms unless the Client gives MPM written notice of termination within 30 days of receipt of such Terms. MPM reserves

the right, at its sole and absolute discretion, to request existing Clients to fill in a new Opening of Account Form.

1.7 The Agreement comes into effect for the selected service when our compliance department has reviewed your fully completed and signed Opening of Account Form.

2. Purpose of these Terms

2.1 These Terms cover dealing as agent, arranging deals, nominee services, investment advice, reception and transmission of orders, (as defined in the Investment Services Act, Chapter 370 of the Laws of Malta) (hereinafter the “Services”, each a “Service”) offered by MPM. You further agree to ratify and be bound by all transactions undertaken by us on your behalf in accordance with these Terms.

- c. you will not without our prior written agreement sell, dispose of, deal with or give anyone else any rights over the investments while they are held by us.

3.4 By agreeing to these Terms you are authorising us to deduct or withhold any sum, which, in our view, we are required or liable to deduct or withhold under the law or practice of any revenue authority in any relevant jurisdiction.

4. Overseas Residents

4.1 Our services may not be available in countries where the use thereof is prohibited by local law. If in doubt you should contact your legal adviser. We will not be responsible for the use of our services by persons in countries where the use of such services is prohibited.

5. Applicable Regulations

5.1 The provision of our service to you is subject to all applicable laws, regulations, bye— laws, guidelines, exchange requirements, customs, usages and other provisions or market practices (the “Rules”) to which we are subject. If any conflict arises between these Terms and the mandatory provisions of any applicable Rules, the latter shall prevail. We are not required to do anything or refrain from doing anything which would in our opinion infringe any applicable Rules and may do whatever we consider necessary to comply with them. All stock market transactions will be undertaken in accordance with the applicable rules of the relevant exchange. These Terms shall not restrict or exclude any obligation that we may have under the Rules.

6.1 MPM shall provide such Service or Services which the Investor has requested to perform in the Investment Account Form or otherwise in accordance with the Rules, upon these Terms.

6.2 In the provision of the Services MPM shall be entitled to appoint any regulated or approved company for the time being acting in the capacity of custodian in relation to any particular investment as may be notified from time to time by MPM to the Investor subject to the Rules.

6.4 MPM further declares that it has in place adequate arrangements for the recording, identification, segregation and control of the Investor's assets and documents of title and to ensure their safe custody.

6.5 MPM and the Investor mutually acknowledge that this agreement does not constitute a loan for use or consumption and the Investor's money and assets have not been given on the sole condition of returning as much of the same kind and quality.

7. Client Classification

7.1 In compliance with the Rules, including the investment Services Rules of the MFSA and the European Directive 2014/65/EU of 15 May 2014, Markets in Financial Instruments and amending Directive 2002/92/EC and Directive 2011/61/EU (MIFID II), MPM classifies its clients as 'Retail Clients', 'Professional Clients' or Eligible Counterparts'.

7.2 We shall treat you as a 'Retail Client' that is a Client who is not a "Professional Client". Retail Clients benefit from a higher degree of protection than Professional Clients (as defined under MFSA's Investment Services Rules for Investment Service Providers). However, you can always ask us in writing to be treated as a Professional Client. Any such request shall be accepted by us only if we are satisfied that you have the necessary expertise, experience and knowledge, in the light of the nature of the transactions or service envisaged, to be capable of making your own investment decisions and of understanding the risks involved and that you meet MFSA's criteria for Professional Clients.

7.3 As a Retail Client you are required to provide full details of your financial circumstances to enable us to provide the service you need and to enable us to recommend the services and products that are suitable for you. This includes specifying your "Service Category", "Investment Objective" and "Risk Profile" in the Opening of Account Form. We may from time to time make additional enquiries about your financial circumstances, investment objectives and risk profile in order for us to be able to assess whether the Investment Service or product envisaged is appropriate for you, that it meets your investment objectives, that you are able financially to bear any related investment risk and that you have the necessary experience and knowledge in order to understand the risks involved in the transaction. MPM shall not require such information from Professional Clients as the latter should have the necessary level of experience and knowledge to understand the risks involved in relation to the Investment Services requested or transactions for which they are classified as Professional Clients.

7.4 Holders of an investment services license, credit institutions, insurance companies, UCITS and their management companies, pension funds and their management companies, other financial institutions authorized or regulated under EU Law or the national law of an EU Member State, undertakings which are exempt from the requirements of the Markets in Financial Instruments Directive in terms of Article 2(1)(K) and (I) of Directive 2004/39/EC, national governments and their corresponding offices including

public bodies that deal with public debt, central banks and supranational organizations shall be treated as “Eligible Counterparties” (as defined under the MFSA’s Investment Services Rules For Investment Service Providers) unless they request otherwise. When acting on behalf of Eligible Counterparties, MPM shall not assess the suitability and appropriateness of the Investment requested by such Eligible Counterparty and shall not provide information on the specific type of Instrument offered. Clause 19 (“Client Reporting”) and Clause 21 (“Best Execution Requirements”) shall not apply to transactions entered into between MPM and Eligible Counterparties.

7.5 Holders of an Investment Services Licence, Credit Institutions, Insurance companies, UCITS and their management companies, Pension Funds and their management companies, other financial institutions authorized or regulated under EU law or the national law of an EU Member State, and her entities which qualify automatically as Eligible Counterparties as set out in Article 30 (2) of MIFID II. National governments and their corresponding offices including public bodies that deal with public debt, central banks and supranational organisations shall be treated as ‘Eligible Counterparties; as defined under the MFSA’s Investment Services Rules for Investment Service Providers) unless they request otherwise. When acting on behalf of Eligible Counterparties, MPM shall not assess the suitability and appropriateness of the Investment requested by such Eligible Counterparty and shall not provide information on the specific type of Instrument offered. Clause 20 (Client Reporting) and Clause 22 (Best Execution Requirements) shall not apply to transactions entered into between MPM and Eligible Counterparties.

8. Your Investment Circumstances

8.1 We are entitled to rely upon any information provided by you. If you provide us with inaccurate information, or if you fail to notify us of any changes to information previously supplied by you, this may adversely affect the quality of the services that we can provide. In these circumstances, we will not be liable for any loss (including loss of profit) that you incur as a result of our acting or advising you based on incomplete or inaccurate information. It is your responsibility to update us with any change to your investment objectives, risk profile, investment restrictions and other relevant information previously notified to us but no such change will be effective until acknowledged and accepted by us. Please note that any changes to your investment objectives, risk profile, investment restrictions and other relevant information previously notified to us may result in us proposing or effecting significant changes to your investments and/or the way in which your account is operated.

9. The Services Offered

9.1 The Services we provide will be in accordance with one of the following four service categories. You are required to indicate your service category on the Investment Account Form or in such other manner acceptable to us. Any such request shall be accepted by us if you satisfy the relevant regulatory requirements under the Rules.

9.2 By signing the Opening of Account Form you are requesting us to open an account based on the selections you have made therein.

9.3 We reserve the right not to accept your application and may reject your application to open an account at our absolute discretion and without providing any reason for this.

9.4 In the Opening of Account Form you will be required to indicate your:

- a. Service Category;
- b. Investment Objective; and
- c. Risk Profile.

10 Investment Process

10.1 Our Investment Advisors will give advice which is suitable for your requirements. Our services are personal to each client. To provide this personal service your Investment Advisor will maintain a degree of autonomy in advising, subject always to the monitoring and supervision carried out as part of our investment process. We may recommend and offer guidance in relation to particular investments or make available research and information for our Investment Advisors. Each Investment Advisor may, however, choose not to follow these recommendations. They may rely on their own research and recommend alternative investments on the basis of that research. As a result, it is likely that the performance of one client's account will differ from that of a client with a similar investment objective and risk profile but who has a different Investment Advisor.

10.2 Advisory Managed Service

10.2.1 This service category is designed for clients who prefer to make their own investment decisions but require advice regarding both the structure of their account as well as advice on individual investments. We will be responsible for advising you on the composition of your account on a continuing basis, having regard to your investment objectives, risk profile, investment restrictions and other relevant information as notified to us. We will make recommendations to you when appropriate, but we will only act on your Instructions (except in certain restricted circumstances outlined in this Agreement). By selecting this service category, you agree that we only execute transactions upon your instructions. You are acting upon your own initiative.

10.3 Advisory Dealing Service

10.3.1 This service category is designed for clients who prefer to make their own investment decisions and do not require on-going advice regarding the structure or composition of their account. We will be responsible for advising you, upon request, as to the merits of any particular investment or transaction having regard to your investment objectives, risk profile, investment restrictions and other relevant information as notified to us but only with reference to the specific type of investment or transaction and not as to the suitability of that investment or transaction in relation to any other investments you may have. We do not hereby accept responsibility on a continuing basis or at all for advising on the composition of your account. You accept and agree that any advice given will be on an ad hoc basis and ancillary to our dealing service. We shall only advise you in relation to particular investments as isolated opportunities and shall not have regard to or be responsible for advising you in relation to the mix or strategy or otherwise in relation to your account. Any purchases or sales will only be made on your Instructions. By selecting this service category you agree to these terms. Unless otherwise agreed in writing by MPM any advisory service we provide shall fall under this category.

10.4 Execution Only Service

10.4.1 This service category is designed for clients who prefer to make their own investment decisions with no advice from us. In case of services relating to shares admitted to trading on a regulated market, or in an equivalent third country market, money market instruments, bonds or other forms of securitised debt (excluding bonds or securitised debt that embed a derivative), UCITS and other non-complex Instruments (as defined in the MFSA's Investment Services Rules For Investment Service Providers) we will not advise you about the merits of a particular Investment or transaction and we will not be required to ensure that the transaction or investment is suitable for you. Similarly, we do not accept responsibility for suitability if we agree to provide nominee services for you. By selecting this service category, you agree to these terms.

10.5 Dealing on a different basis to your Service Category

10.5.1 MPM shall execute any specific instruction from yourself. If you are not an Execution Only Client and you instruct us to carry out an Execution Only transaction (that is a transaction on which we have not provided advice) we will not advise you about the merits of the transaction at the time of execution or on an ongoing basis. We will not be required to ensure that the transaction is suitable or appropriate for you. We will notify you at the time of accepting your instruction that the transaction will be carried out on an execution only basis and we will send you a "Contract Note" confirming this.

10.5.2 If you do not accept our specific advice not to proceed with an intended transaction and insist upon dealing, we will treat your instruction as having been given on an 'insistent client' basis. We will not be liable for its inclusion in your account. We will inform you of this at that time and record the basis of the order in our files and on your Contract Note.

10.5.3 In relation to a particular instrument or period of time, you may instruct us to classify you under a different Service Category. In such circumstances, we will only classify you under that different Service Category in relation to the particular instrument or period of time, and the relevant terms will apply. Services in relation to any other instrument will continue to be provided on the basis of your relevant Service Category, unless we are instructed by you in writing that the Service Category under which we are to classify you on an on—going basis has changed and such instruction is accepted by us.

11. Your investment objective and Risk Profile

11.1 Our services allow you to notify us of a change to the risk you are prepared to accept and when we confirm the change with you, we will also discuss with you any changes that might be necessary to bring your account in line with your new requirements.

11.2 You should be aware that by selecting one of the following risk profiles you will have agreed to accept that level of risk for your account. If we effect transactions on your behalf we are entitled to deal on this basis unless and until such time as you have notified us to the contrary in writing and this has been accepted by us.

a. Conservative (20%)

The low risk profile seeks to protect capital. However, being defensive in nature it may limit any real increases in capital value. This category will incorporate investments in fixed interest securities (Sovereign and Investment Grade Corporate). These sorts of investments are the least volatile investments in the markets. No leverage or margins are attached to these instruments.

b. Moderate (50%)

This risk profile may incorporate direct equity investments in large or medium sized companies, and Collective Investment Schemes. The account may contain a proportion in smaller companies or less liquid investment, lower grade bonds and exposure to High Yield/Emerging market bonds. These sorts of investments are more volatile compared to investment grade bonds. No leverage or margins are attached to these instruments.

c. Aggressive (70%)

Selecting this profile would allow for a high proportion of less well-established companies or less liquid investments with a high risk/high return strategy and allows for venture finance equities, early stage recovery and de-stressed situations and complex instruments. These instruments have a very high volatility rate thus trading may not necessary occur on the day of the instructions. No leverage or margins are attached to these instruments.

12. Aggregation of Orders

12.1 MPM may on occasion combine (“aggregate”) a transaction for you with its own orders and orders of other clients. MPM may carry out your order or a transaction for its own account in aggregation with another client order if MPM believes that the aggregation is in the overall best interests of all the clients concerned. However, the effect of aggregation may on some occasions work to your disadvantage. When we aggregate a client order, we will promptly allocate the order and we will not give an unfair preference to MPM or to any of those for whom we have dealt.

12.2 In undertaking any transaction on behalf of clients, MPM may do whatever it considers necessary to comply with any applicable Rules including any applicable market or exchange practices (such as in the case of aggregation and allocation of orders and limit orders).

12.3 MPM reserves the right to refuse to deal in any particular security whether listed or unlisted in Malta or on any overseas market.

13. Risk

13.1 Past performance is not necessarily a guide to future performance. Our services relate to investments whose price depends on fluctuations in the financial markets outside our control. Investments and the income from them may go down and you may get back less than the amount you invested.

13.2 Where the Investor enters into contracts in respect of investments that are not readily realisable, the Investor acknowledges to be aware that there may be no recognised market for such investments and it may therefore be difficult to trade in, value or obtain information, including price information, about such investments.

14. Investment Restrictions

14.1 You should be aware that it may not be possible to comply with your investment restriction where we recommend a collective investment scheme, because we may not always know the exact underlying holdings of the scheme or these may have changed. If we become aware that any proposed transaction

may materially breach your restrictions, we will endeavour to inform you that this may be the case before proceeding with the transaction.

15. Settlement

15.1 The day that we enter into a transaction is known as the dealing or trade date. Each transaction will have an agreed settlement date which is the day on which the deal will be settled. There are standard settlement periods for most markets.

15.2 You are responsible for paying for each transaction we execute for you, whether by payment of the purchase price, delivery of the relevant assets, or otherwise as the relevant market requires. Except as agreed with us, you must pay for any investments we purchase for you on or before the settlement time. All payments for assets purchased or otherwise, must be made in immediately available funds to the account we designate. Your payment must be made without set-off, counterclaim or deduction. If you fail to deliver investments or meet your obligations, you will reimburse us for all resulting Losses we incur. By accepting these Terms, you hereby authorize us as your agent to appropriate and sell securities which have been delivered by the market in settlement of a purchase transaction but for which you have not paid. Money and other securities that may be held by MPM on any account in your name or where you are named as one of the holders of a joint account may be applied towards meeting any of your obligations irrespective of any other instructions we may receive. This is without prejudice to your obligation to pay us all sums (including any fees, charges and ancillary expenses) which are due and owing from you as aforesaid in cleared funds on or before the due date for settlement and any such sums still outstanding notwithstanding the foregoing provisions of this clause will remain your responsibility.

15.3 You agree that any stocks, shares, bonds, units in collective investment schemes or other securities which you may hereafter have in the Company's possession will be pledged by a first ranking pledge to the Company by way of security for the fulfilment of all your obligations under this agreement. Should you decide to pledge with other third party any stocks, shares, bonds, units in collective investment schemes or other securities which you may hereafter have in the Company's possession, you are responsible to inform such third parties on the ranking of pledge which should always rank below the first ranking pledge in favour of the Company. The Company shall neither be responsible nor liable should you fail to do so. Any damages that may result from this failure should be borne and paid by you. In case you would like to opt out of this clause, you should notify the Company in writing by not later than the opening of account date. The Company reserves the right to accept or reject such request. The pledge confers upon the company the right to obtain payment out of the securities subject to this pledge, with privilege over other creditors as provided by law as well as the right of retention over the said securities which entitles the company to retain the benefits of this pledge until such time as the full amount of the debt shall have been paid.

This agreement supersedes all future negotiations, commitments, undertakings and writings pertaining to the subject matter of this Pledge and constitutes the entire understanding between you and the Company. This pledge is an important legal document which may seriously affect your financial position. The Company strongly recommends that you seek the advice of your legal advisor before signing this agreement and that you sign it if you fully understood its legal consequences.

16. Benchmarking

16.1 The purpose of a benchmark is to provide portfolio clients with a reference point for their portfolio. It is not a guarantee that your portfolio will perform in line with the chosen benchmark or necessarily follow its distribution. Furthermore, benchmarking does not mean your account will be based on the investments which make up the indices of the benchmark or will necessarily follow their asset allocation or performance.

17. Conflicts of Interest

17.1 The Services provided by MPM to the Client are not to be deemed exclusive and MPM shall be free to render services to other clients and to retain any benefit or profit received thereby. MPM has established a Conflicts Policy which illustrates our approach to handling conflicts which we may have when acting for our clients. We deal with conflicts on a case by case basis but the policy sets the general framework within which we usually operate and discloses the types of conflicts we face. A summary of our Conflicts Policy may be obtained from our offices or by visiting our website www.mpmci.net.

18. Account Administration

18.1 Base Currency of the Investment Account

18.1.1 All investments, including redemption capital and interest will be retained in the original base currency where possible, subject to the Rules, unless MPM receives specific instructions to convert/pay in another currency. In particular circumstances where MPM cannot hold the proceeds/interest in a specified currency, MPM will either request alternative instructions from the Investor or will convert to a currency, which in MPM's opinion is appropriate. Were MPM receives instructions to convert any interest/capital from one currency into another, MPM will effect such conversion(s) at the current market rate of exchange as soon as practicable. Such conversion shall be entirely at the cost and risk of the Investor.

18.1.2 In relation to foreign currency denominated investments, changes in the rates of exchange between currencies may cause the value of or income from your investments to go down or up, independently of their value in local currency.

18.2 Joint Accounts

18.2.1 For all joint accounts we will send Contract Notes, notices and communications only to the address of the first named account holder, who will be treated by us as authorized to receive them on behalf of all account holders.

18.2.2 We require all account holders to sign an Open of Account Form and MPM will receive instructions only from the holders of the Investment Account authorised as signatories on the Opening of Account Form. Any amendments to these instructions shall be in writing and shall only be effective once such amendments or instructions are accepted by us. Unless otherwise indicated on the Opening of Account Form instructions which we receive from a holder of a Joint Account will be accepted by us on the understanding that the person giving the Instruction is acting on behalf of all the holders of the Joint Account. We reserve the right, although we are under no obligation, to request authority in writing

from all account holders in respect of any instructions passed to us including any amendments or any new account application. By signing an Open of Account Form in respect of a Joint Account, you agree that we may act on the instructions of an authorised Joint Account holder on behalf of all the holders of the Joint Account. Any notice or communication given by us to any one of the Joint Account Holders shall be treated as notice to all holders of the Joint Account.

18.2.3 MPM will only accept telephonic instructions from an authorised Joint Account holder where such authority is not required to be exercised jointly with any other holder. Whilst MPM accepts facsimile instructions from signatories, MPM will not accept email instructions, unless confirmed telephonically by MPM. Under no circumstance, will MPM be held responsible for any unclear or ambiguous instructions and MPM may at its discretion decline to act upon any instructions if in any case or classes of cases it considers it inappropriate to do so.

18.2.4 You are advised to consider your legal and tax position (including the laws affecting succession) before setting up a joint account with us.

18.2.5 If you have an account with us in the name of joint holders all account holders are personally bound by these Terms and each account holder will be jointly and severally liable for the Investment Account and for the client obligations under these Terms. This means that you are bound by and liable for both your own actions and omissions and the actions and omissions of all the other account holders and we may at our discretion pursue any one or any number or all of the joint account holders for any debts or other liabilities.

18.2.6 As the holder of a joint account you authorise us to appropriate money and to appropriate and sell securities that may be held by MPM on any account where you are named as one of the holders of a joint account for the purposes of being applied in accordance with the provisions of clause 15.2 above to meet the obligations of any of the other joint account holders.

18.3 Opening an account in the name of a trust, company or an association of persons

18.3.1 For trusts, companies, or other associations of persons whether corporate or unincorporated we will accept instructions from and give notices and other communications to your nominated contact person but we will generally need the Opening of Account Form to be signed by a minimum of two persons. Instructions from the nominated contact person will bind all account holders.

18.3.2 It is vital that you keep us informed about who has been appointed to deliver instructions to us. Where appropriate we will require the full authorized signatory lists and minutes of meetings, power of attorney or the trust or variation deed appointing the nominated person. You can also ask us to change the nominated contact person by writing to us with details of the changes you require.

18.4 Accounts opened for Minors

18.4.1 An Investment Account may be opened in the name of a minor but subject to the additional consent of either the minor's parents or the minor's guardian in relation to any transactions. Evidence of such authorities and/or consent, including those of any Court, in relation to particular transactions, may be requested. The minor's parents/guardian will have power to manage the account on behalf of the minor until his/her 18th birthday (or until the minor's emancipation). Upon evidence of the minor being

18 years of age (or having been emancipated), the minor (now the adult) will have the exclusive right to manage his/her assets and the parents/guardian's authority over the account will cease to apply.

18.5 Third Party Authority and Power of Attorney

18.5.1 You may ask us to accept instructions from a third party. This request may be made either by completing the relevant section in the Investment Account Form or by making a request in writing. If we agree to accept third party instructions, we will need to perform anti—money laundering verification checks on such third parties before accepting instructions from them.

18.5.2 We may accept any instruction where we reasonably believe the instruction has been given by a third party with your authority. However, for your protection, we reserve the right to request a written signature on paper from you for any instruction.

18.5.3 You may also provide details of any existing power of attorney on the Opening of Account Form. We will require a certified copy of the power of attorney before we can act upon it.

18.6 Interest on Client's Monies

18.6.1 Interest shall not be payable by MPM on any cash held for the account of the Investor until redemption or disposal, unless agreed otherwise in writing by MPM. In the event that interest is agreed to be payable by us, such interest shall be credited to the Investor by MPM in accordance with the Investor's instructions or otherwise in such manner as may be notified by MPM to the Investor from time to time.

18.7 Interest Payable by you

18.7.1 If you default in paying any amount when it is due, interest will be payable by you on the overdue amount at the maximum rate allowed by law, such interest to accrue daily until we receive full payment.

18.8 Standing Orders

18.8.1 Regular payment instructions, once accepted by us, are at all times subject to the availability of cleared funds. If there are insufficient funds available, we may make no payment or part payment.

18.9 Overpayment

18.9.1 If you pay us more than is required for settlement, we shall promptly following receipt of cleared funds repay the difference to you or hold it for you. Conversely, if we pay you more than the amount due for immediate settlement you agree to repay promptly any amount due to us.

18.10 Small Payments

18.10.1 We reserve the right not to issue cheques or to transfer any sum less than Euro €20. Sums less than this amount will remain credited to your account with us until the balance reaches the said amount. You can then request the balance to be paid to you.

18.11 Change of name, address, power of representation, tax status
